TOWN OF SEABROOK

1982 PROPERTY RE-VALUATION

TOWN OF SEABROOK

1982 REAL ESTATE ASSESSMENTS

This booklet contains the names of the owners of real estate in the Town of Seabrook, along with a listing of the amounts for which each property was assessed for tax purposes as of April 1, 1981, and as of April 1, 1982.

The current property valuations were determined on appraisals made by field appraisers employed by the Town's Assessing Department. The 1982 assessment figure represents the appraised full value (sound value) of each property. The objective was to equalize all individual property assessments. Record cards for each property are on file at the Assessing Department Office in the Town Hall. The cards contain a description of each property, including the basis for the current appraisal. These cards may be examined by the public.

If any property owner believes the current assessment on his/her property is in excess of its full market value, he/she may appeal to the Board of Selectmen for an abatement within four months of the receipt of his/her tax bill. Abatement forms may be obtained at the Selectmen's or the Assessing Department Office at the Town Hall.

If an abatement is denied by the Board of Selectmen, the property owner may appeal to the Board of Land and Tax Appeal within six months of the receipt of his/her tax bill. An application fee must be paid to the Board of Land and Tax Appeal, 61 South Spring Street, Concord, NH 03301. The state board will assign a review appraiser to investigate the appeal for abatement.

For purposes of economy and efficiency the Board of Land and Tax Appeal will allow all abatement appeals to accumulate until the six month period for filing has expired so that all abatements may be examined at the same time.

A 12% interest charge will be levied on all property taxes not paid by the due date specified on the tax bill. The filing of an abatement will not waive this penalty.

Board of Selectmen

Frederick B. Felch, Chairman

Walter I. Randall

James C. Falconer
